Dear Fifth Graders,

Congratulations to the Class of 2016 Graduates! I have had an amazing year watching you all grow as students, as leaders and as a group of caring individuals. A lot of learning has taken place this year and I greatly anticipate seeing what amazing things you all accomplish, not just in middle school, but high school, college and beyond. Just as important as what you have learned in literacy, math and social studies is what you have learned about being strong leaders and role models. So what I would like to leave you with is this; the way you treat people is everything. Be kind, be respectful, be caring. To quote our read aloud Wonder, "If every person in this room made it a rule that wherever you are, whenever you can, you will try to act a little kinder than is necessary - the world really would be a better place." Good luck to all of you, and be sure to come back to visit and tell me all the amazing things you have been doing!

Sincerely, Mr. Golder

Congratulations to the Bowman School Fifth Grade Class of 2016!

You have demonstrated your curiosity and love of learning throughout our school year together. I was proud to be part of a classroom community that encouraged everyone to be an outstanding learner and leader. Throughout this year, I hope you have gained valuable skills to lead you on your next chapter to middle school and beyond. Learning happens everyday, be it at home, in school, and within our local communities. Being able to learn from yourselves and each other is a skill you should cherish for your entire lives. I wish you well on your transition to middle school next year and will be excited to learn about all your future endeavors as you move on.

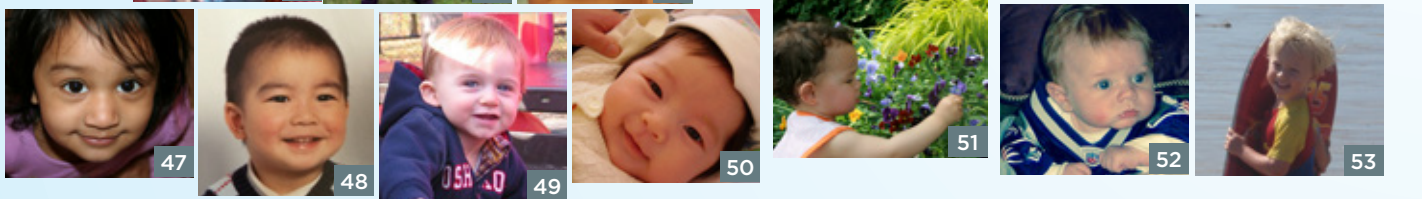

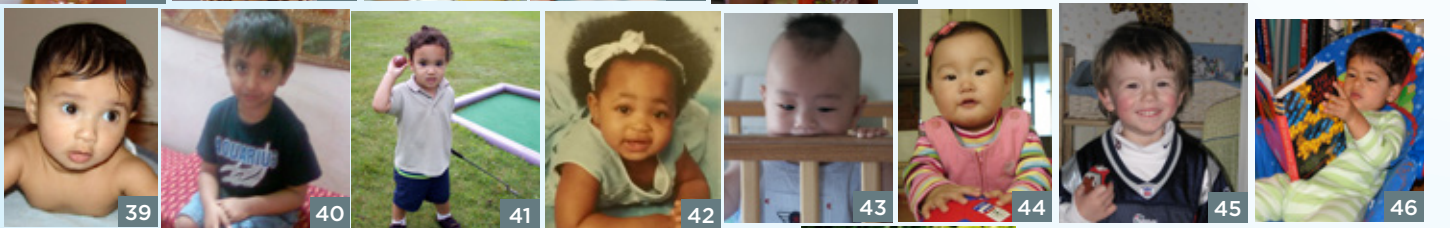

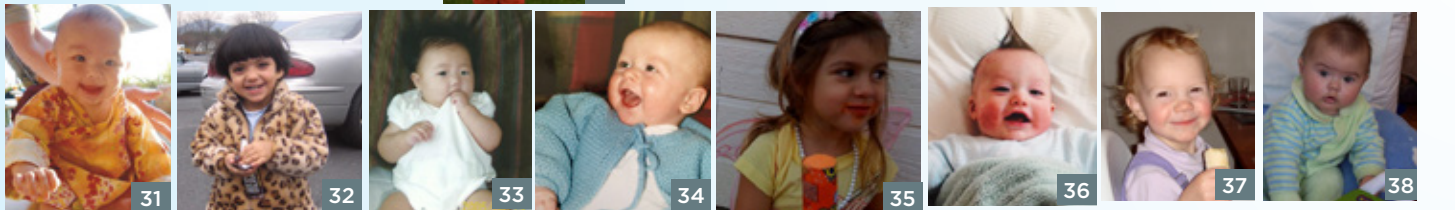

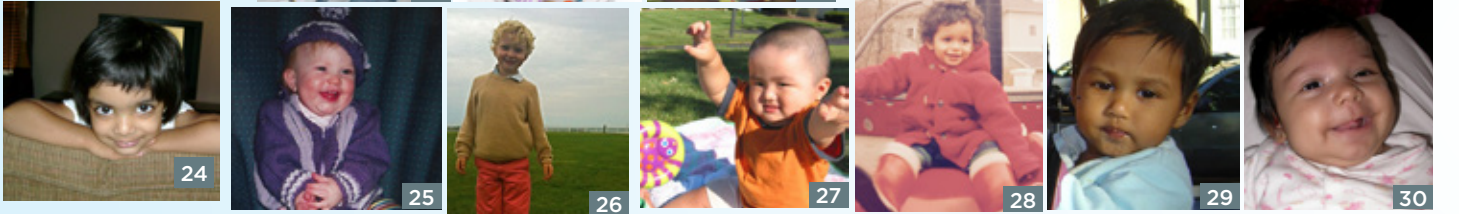

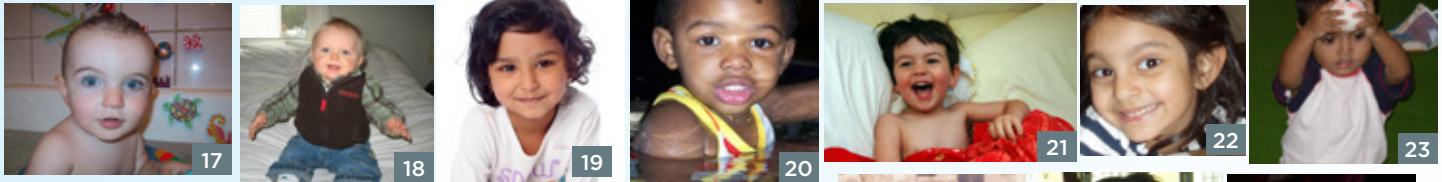

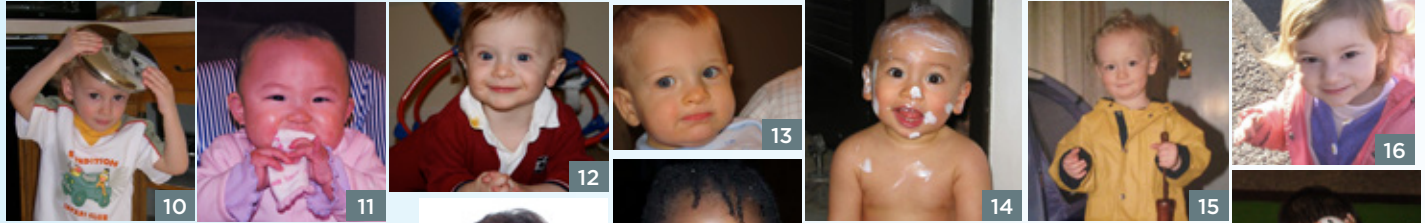

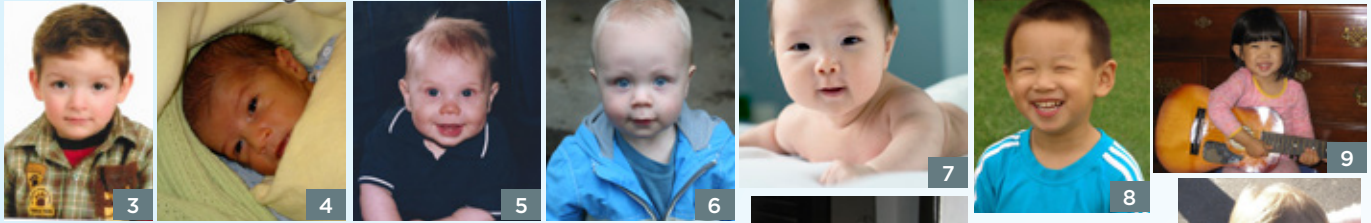

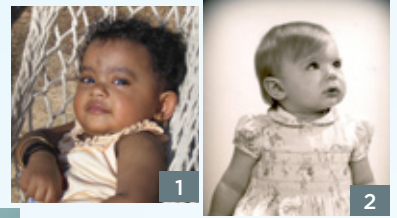

Sincerely, Mr. Studley

Dear 5th Graders -

Well, you've done it. You've added all the fractions, mastered simple machines, and filled out every reading log we sent your way. You've left your mark on the Bowman School through your curiosity, your leadership, and your enthusiasm. May each of you find excitement, camaraderie, joy, and lots of things worth learning in the years to come. As you move on into the 6th grade, enjoy the journey, look after each other, and keep putting your best foot forward!

# Disco Bingo

The title 'Disco Bingo' is written in a bubbly, hand-drawn font. The word 'Disco' is on the left, 'Bingo' is on the right, and a large, colorful disco ball is positioned in the center between the two words. Above the 'Bingo' part, there is a drawing of a globe with a sunburst effect around it.
